

# N & G SINCLAIR

## REAL ESTATE INVESTMENTS

---

We have known Peter Mitchell for over 8 years.

Peter was introduced to ourselves to facilitate a design, construct and lease transaction with Bunnings, on land our company owned on the Gold Coast.

The project was delivered ahead of time and under budget. Bunnings have recently renewed their lease on the property.

Since then he has worked with us involving other projects on development land we own on the Gold Coast.

His advice is concise and accurate and he has the ability to foresee potential issues before they arise.

We can highly recommend Peter's property development skill set.
